HOW TO USE THIS GUIDE

- The following suggestion will help you find information on the study opportunities:

- ☛ Use the Index of fields of study or the Index of occupations to trace the appropriate degree, diploma or certificate.

- Apply for enrolment in good time. The application form has to be obtained, completed and submitted before a closing date. Enrolment dates are determined annually.

- Course fees are subject to change.

- In this guide

correspondence means that the degree, diploma or certificate can be obtained by means of correspondence. If the word correspondence does not appear in the entry, it means that classes have to be attended.

Afrikaans medium or English medium means the language in which the course is presented.

HOE OM DIE GIDS TE GEBRUIK

- Om die naslaan van die inskrywings te vergemaklik, word die volgende wenk gegee:

- ☛ Gebruik die Studierigtingindeks of die Indeks van beroepe om die toepaslike graad, diploma of sertifikaat op te soek.

- Doen betyds aansoek om toelating. Gewoonlik moet 'n aansoekvorm aangevra, ingevul en ingestuur word voor 'n sluitingsdatum. Sluitingsdatums wissel jaarliks.

- Kursusgelde is onderhewig aan verandering.

- In hierdie gids beteken

korrespondensie dat die graad, diploma of sertifikaat deur middel van korrespondensie behaal kan word. Indien die woord korrespondensie nie by die inskrywing voorkom nie, word die kursus deur middel van klasbywoning aangebied.

Afrikaans- of Engelsmedium die taalmedium waarin die kursusse aangebied word.

occupations means the possible occupations that can be followed by persons who have obtained the qualification. Only a few occupations are mentioned but in certain cases more occupations can usually be followed. (Occupations with the same work content are also known under different names to various employers.)

admission qualification means the minimum educational qualifications that is needed to enrol for a degree, diploma or certificate. Equivalent qualifications e.g. N3, may also be accepted and institutions sometimes permit candidates to enrol without the prescribed qualifications. An approved African language or German may, under certain circumstances, replace one of the official languages. Write to the institutions for more information.

Although the information in this publication has been compiled carefully, changes may have been made in the meantime. Applicants, when applying, should therefore make sure that the course is still available.

The institutions also offer continuing education programmes or short courses. Students are advised to make enquiries at the institution concerned.

Particular appreciation is expressed to the institutions which made information available and co-operated in updating the information.

beroepe die moontlike beroepe wat met die kwalifikasie beoefen kan word. Enkele beroepsname word genoem, maar in sommige gevalle kan veel meer beroepe beoefen word. (Beroepe met dieselfde werkinhoud is ook onder verskillende name by die werkgewers bekend.)

toetreekwalifikasie die minimum opvoedkundige kwalifikasie wat vereis word om vir die graad, diploma of sertifikaat in te skryf. Gelykwaardige kwalifikasies byvoorbeeld N3, word ook aanvaar en soms laat die instellings persone toe om sonder die voorgeskrewe kwalifikasie in te skryf. 'n Goedgekeurde Afrika-taal of Duits mag, op sekere voorwaardes, een van die amptelike tale vervang. Skryf aan die instellings vir verdere besonderhede.

Alhoewel die inligting in hierdie gids met sorg saamgestel is, kon veranderinge intussen plaasgevind het. Aansoekers moet dus tydens aansoek seker maak dat die kursus wel aangebied word.

Die instellings bied ook bykomend voortgesette opleidingsprogramme of kort kursusse aan. Doen navraag by die betrokke instellings.

Hartlike dank aan die instellings wat inligting beskikbaar gestel het en meegewerk het met die opdatering van die inligting.
